

My name is

Juan Pablo Rodriguez

Let me tell you something about me

I am the middle school mathematics teacher at St. Michaels. This is my 4th year at the school. I was born in Nicaragua but grew up in Miami. I graduated from F.I.U. in where I studied math and history. I have been with my wife Maria for 11 years. We have two children named Selena and Socrates. My hobbies include solving puzzles and reading. My favorite Bible verse is 1 Corinthians 13:11 "When I was a child, I talked like a child, I thought like a child, I reasoned like a child. When I became a man, I put the ways of childhood behind me."
