

2nd Grade Summer Reading and Math

2019-2020

Dear Second Grade Parents,

During the summer, the students will be required to read the following book:

"Henry and Mudge: The First Book of Their Adventures" by Cynthia Rylant. The story is about a young boy and his best friend, a 180-pound dog named Mudge. Please take the time to read this book with your child and complete the attached book report.

For math, the students will be required to complete 5 addition and 5 subtraction drill sheets (20-25 one-digit problems per sheet). Please create and print out the drill sheets for the students to complete using the following websites:

themathworksheetsite.com, math-drills.com, mathfactcafe.com, or any other website that allows you to create drill sheets (or create them yourselves).

The book report and math drill sheets are due the first week of school.

Have wonderful summer!

Your 2nd Grade teacher
