

My name is

Maria Costello

Let me tell you something about me

I started at St. Michael Catholic School in 1995 and I have always taught Language Arts and Reading/Literature in the Junior High. When Mrs. Alfonso came to St. Michael, I became Assistant Principal until today.

I am certified in English and Psychology and I have taken extensive courses in Literature for young adults at the master level. I have thoroughly enjoyed my years teaching at St. Michael where every day is a rewarding and blessed experience.
