

St. Michael the Archangel Catholic Church & School

*We love Christ, we love the Catholic Church, we love to learn and serve.
We look forward to excelling academically and spiritually.
We will create a positive impact in our families,
our community, our country, and even the world.*

REMINDER PARENTS

School Entry Health Examination (Yellow Form)

The exam record should be taken to the child's school upon enrollment. This form is required, and it is recommended that Florida's standardized School Entry Exam form (DH 3040) be used to document completion of a physical examination. It must be completed by a health care provider licensed to perform physical examinations. For students transferring to a Florida school, a comparable form from another state would be acceptable, if completed within 1 year.

Immunization Record (Blue Form)

The Florida Certification of Immunization, Form 680, must be used to document the immunizations required for entry and attendance in Florida schools. These forms are not available to the public and must be completed by a Florida physician or a Florida county health department. It is recommended that parents obtain a copy of the child's complete immunization history before leaving the current state of residence. The county health department that serves the area where the child will be residing will need this information.

These forms are required to be turned in every new school year to the main office. These forms must be dated after March 1st, 2023.

The deadline to turn in these forms is August 1st, 2023. Any child that does not have these forms will NOT be able to attend school until they are turned in.
