Mission Statement

**“ We love Christ, we love the Catholic Church,
we love to learn and serve. We will
create a positive impact in our families,
our community, our country, and even the world.”**

Attendance at school and participation in school activities pose some risks including the transmission of COVID-19. Although the school has taken various measures to reduce the risks of transmission, the possibility of infection from COVID-19 or other communicable diseases is nonetheless present. Parents expressly assume such risks by allowing their children to attend school and to participate in school activities and/or by coming onto the school campus and attending school activities themselves.

In the event of a natural disaster, disease outbreak, or any other circumstances which in the judgment of the school administration make it unfeasible, unsafe, or otherwise imprudent to continue campus-based education, school educational programs shall resume as soon as practical by way of distance learning and/or other methods adopted by the school administration and faculty. Due to the school’s continuing financial obligations related to its operations, there will be no suspension, reduction, or refund of tuition in these circumstances.

1. INTRODUCTION

An interesting and challenging experience awaits you as a student or parent of St. Michael the Archangel Catholic Church and School. To answer some of your questions concerning the school's policies, the school has prepared this Parent-Student Handbook. Please read it thoroughly and retain it for future reference. The policies stated in this handbook are only guidelines and are subject to change at the sole discretion of the school, as are all other policies, procedures, or programs of the school. From time to time, you may receive updated information concerning changes in policy. However, the school has the right to add, delete or revise any school policy or procedure with or without notice. This handbook is not a contract, express or implied, and none of the policies or provisions should be construed as such. If you have any questions about the school's policies, please ask the principal for assistance.

2. ACCREDITATION

St. Michael the Archangel Catholic Church and School is fully accredited by the Florida Catholic Conference. It is also a member of the National Catholic Education Association, Dade Association of Academic Non-Public Schools, and the All Catholic Conference in Athletics.

3. HISTORY AND PHILOSOPHY OF SCHOOL

A. HISTORY

The Past - It all started in 1951 when the Most Reverend Thomas McDonough, Bishop of St. Augustine, blessed and laid the cornerstone Saturday morning, September 29th. The parish of St. Michael the Archangel, led by its pastor, Monsignor Romuald Philbin, made great efforts to establish the Parochial School and Convent. Since then, the pastors of St. Michael the Archangel Catholic Church have supported the school in every possible way. Our current pastor, Father Elvis Gonzalez was assigned here in 2019. The first congregation of Sisters, The Servants of the Immaculate Heart of Mary, arrived in 1951 to live in the convent and teach in the school. In 1981, The Sisters of the Apostolate of the Sacred Heart were invited to join the school community. The first secular principal, Mrs. Carmen J. Alfonso, came to SMACCS in 2004 and continues to this day.

The Present – During the past 69 years, SMACCS has grown and matured as an institution. The school staff is dedicated to the education of the students. All persons associated with SMACCS, adults and children alike, are proud of being able to fulfill our Christian lives here, as they look into the future.

The Future – At SMACCS, the future can be envisioned with thrilling anticipation. Much has been accomplished, but so much more lies ahead of us. New generations of students, faculties, and administrators will continue coming together to form the new SMACCS family, year after year.

B. PHILOSOPHY

Our school is a school of faith. Our Catholic faith teaches that each person is a unique individual gifted by God. Our task is to educate the children to the full extent of their abilities while focusing on developing both, academic excellence and a genuine Catholic identity. Jesus Christ is the heart, soul, and reason for our existence as a school.

C. BELIEFS

We believe that Catholic education is a right not a privilege. Our mission is to serve all children and teach them the catholic faith that encompasses love for all humanity, in keeping with the teachings of Jesus Christ our Lord and Savior.

We know that each child is a unique creation of God and we strive to help each child grow individually to their best potential — spiritually, academically, socially, morally, and emotionally.

We are certain that the best way to achieve this is by forging a strong bond between family and school, as parents are the first and most important teachers of their children.

As educators, we know that our students are our future and it is our goal to empower them to lead by example, with love, compassion, wisdom, and understanding, always keeping in mind we are all children of God and as such one brotherhood of mankind.

“Whoever welcomes in my name one of these children, welcomes me; and whoever welcomes me, welcomes not me but also the one who sent me.”

Mathew 9:37

D. MISSION

SMACCS is fully dedicated to the integral formation of its students in an environment of Catholic principles. The mission is to develop in the students a deep love for the Lord Jesus Christ and the Holy Catholic Church, knowledge, an attitude of service, and a strong desire to excel academically, spiritually, and physically.

We shall encourage the students through our example, our teaching, and our commitment, so that they may in turn, go out into the world and do the same.

E. VISION

The aim of our school is to graduate responsible and productive citizens with strong critical thinking and academic skills by providing a dynamic, comprehensive curriculum delivered in partnership with the community, family and a competent, qualified staff in a safe and caring environment centered on the teachings and traditions of the Catholic Church.

F. OPEN ADMISSION POLICY

The school has an open admission policy. No person, on the grounds of race, color, disability or national origin, is excluded or otherwise subjected to discrimination in the receiving of services. Nor does the school discriminate in hiring, promotion, discharge, pay, fringe benefits, job training, classification, referral, and other aspects of employment on the basis of race, color, disability, age, gender, or national origin.

4. SPIRITUAL FORMATION

A Catholic atmosphere is maintained and fostered throughout the school. In accordance with our philosophy, religious education receives special attention. Students take an active part in the celebration of weekly liturgies. SMACCS families are encouraged to attend each Sunday here at the 10:00 AM Mass. The Mass is a sign of unity, a bond of charity, a paschal banquet, in which Christ is consumed, the mind is filled with grace, and a pledge of future glory is given to us.

The **Sacramental Life** of the students is nurtured through frequent opportunities for the reception of the Eucharist and the Sacrament of Reconciliation. Second grade students are prepared for the Sacrament of Reconciliation, and Eucharist and eighth grade students are prepared to make their Confirmation. Our Religion instructors hold special meetings for parents of students preparing for these sacraments. All parents of children receiving the Sacraments of First Holy Communion and Confirmation are required to attend a Mini-SEMAC (Mini-Seminario de Acción Cristiana) before the children will be receiving any of the two Sacraments mentioned.

The **Prayer Life** of the students is fostered throughout the school by the prayer experience, which focuses attention on the necessity of daily conversation with God.

The **Faith Life** of the students is deepened by the study of the scripture and through classroom discussions about the challenges we face in our society.

Parents are encouraged to cooperate with the school in spiritual matters, especially by setting an example of sincere Christian living. This can be accomplished by creating a religious atmosphere in the home, by family prayers, by frequent reception of the sacraments, and by regular attendance at Sunday Mass. Our students are encouraged to participate in the 10:00 AM Sunday Mass because being part of SMACCS means to live and practice our Catholic faith. The Mass is the source and summit of all Christian life and through the Eucharistic celebration we are united already with the liturgy of heaven and we have a foretaste of eternal life.

E. ATTENDANCE

Success in any field requires continuing daily effort. Nowhere is this truer than in education. The quality of learning for any student most often reflects the regularity in which he/she attends classes. The immature student usually reflects the degree of permissiveness shown by the parents toward consistent school attendance. To foster habits of poor attendance would be a disservice to any student. Therefore, our attendance regulations have been formulated as a means of helping our students develop habits which will serve them not only while in school, but also later on in life.

F. TRUANCY

This constitutes a serious disciplinary matter. Truancy is absence from school, classes, school activities, or leaving the school grounds without the parents' or principal's permission. No student may leave the grounds without the expressed permission of the principal.

6. SCHOOL REGULATIONS

A. SCHOOL RULES

I. OFFICE HOURS

From 7:00 a.m. until 3:30 p.m.

II. SCHOOL HOURS

Students must be in school by the **first bell. The first bell will ring at 7:45 AM.** The second bell at 7:55 a.m. is for the start of prayers. Students arriving after 8:00 AM will be considered late. **Parents cannot be in the hallway after 7:40AM.** **Only Parents with students in PK3, PK4, and Kinder can be in the classrooms until 8:00AM.**

III. TARDINESS

Students in grades 1st through 8th will be considered tardy if they arrive after 8:00 AM.

NOTE: All students must enter through the Cafeteria doors (not the office) until 8:00 AM

These students will go directly to the cafeteria until 7:40 AM. There they will be picked up by their homeroom teacher. Anyone who arrives after this time will be responsible to report immediately to his/her respective homeroom. Patrols will be available to help first and second grade students. Older students will go by themselves.

- Every effort will be made to correct cases of chronic tardiness.
- If a student is habitually tardy or picked up early from school, a written explanation from the parent or guardian may be required.
- For every six (6) late arrivals, there will be a Thursday Detention issued.
- **Eighteen (18) tardies in a quarter will result in a Saturday Detention.**
- Whenever a student is tardy he/she must have a tardy slip from the school office in order to be admitted to class.
- Students who are not in school or who are tardy without parental or school consent will be considered truant. Truancy violates state and local attendance laws and will be considered a serious offense. Continued truancy may result in expulsion from school.

- **Any student who is late 6 times or more in one quarter will not qualify for honor roll recognition.**

NOTE: Chronic problems with tardiness may result in the requirement of summer school attendance, or denial of re-registration for the next academic year.

IV. DISMISSAL

Pre-K and Kinder Students will be dismissed at 2:30 PM. After 2:45 pm, parents need to come through the office. Any student who has not been picked up by 3:00 PM will be placed in our After School Care Program.

The designated area for pick up is the side door on 28th Avenue – see picture. Students **MUST BE PICKED UP** at the door by parents without cars, not on the side walk or across the street from school. Parents cannot park in front of the school – 28th Avenue or neighboring streets which may obstruct the flow of traffic. The school staff will monitor and enforce the no parking rule. Dismissal will be at 3:00 pm, or once the busses have left the area.

A charge of \$1.00 per minute will be incurred there after. During athletic events or practices students who do not participate in them, are not permitted to be in the field or patio. Coaches are responsible only for the team members. Students who participate in extra-curricular activities and who are not picked up at the appropriate time must stay in After School Care and pay the stipulated fee.

VI. EARLY DISMISSAL DURING SCHOOL HOURS

No student is permitted to leave school grounds before regular dismissal time, unless given permission by his/her parent and the Principal. A written permission letter must be presented to the school office and to the teacher the same morning the student is to be picked up. The letter should state specific information regarding cause, time, and who will pick up the child. The parent or authorized person is to report to the office when picking up the student. The student is responsible for knowing the time he/she will be picked-up at the school office. Parents are urged to make children's doctor and dentist appointments outside school hours and on school holidays. **NO STUDENT WILL BE DISMISSED AFTER 2:00PM. NO EXCUSES.** Early dismissal and late arrivals will affect the student's perfect attendance at the end of the year. Verbal permission given by a parent over the phone is not permitted.

All students are expected to be in school until their regular dismissal time.

VII. ABSENCES

Parents must call the school office whenever a student is absent; daily if necessary. Homework for the day may be requested before 9:00 AM and picked up between 2:30 PM and 3:30 PM. There are two types of absences, excused and unexcused. Excused absence is granted to a student for a serious reason. The following constitutes the reasons for an excused absence: illness or hospitalization verified by a doctor's note, death in the immediate family, court appearance, provided the student brings in a copy of the court document stating that this appearance is required. An unexcused absence is when a student is out of the school with the parent's knowledge for reasons that the school does not consider excusable. Example: family vacation during class days, illness without a doctor's note. **Doctor's notes MUST be brought to the office by the end of each quarter. Doctor's notes will not be accepted once each quarter is closed.**

In order to be admitted into class when a student has been absent, explanation from the parents or guardians is required on the day of the student's return to school. The school will report "truancy" to the Department of Children and Families when there is an extended absence without written explanation from the parent. In addition, a student who is absent 19 days or more in a school year will not be promoted to the next grade level unless the student attends Summer School. No Exceptions.

VIII. TAKE YOUR CHILD TO WORK DAY

This day is a regular school day for SMACCS. If your child does not attend school on this day, he/she will be marked absent.

IX. SEARCH AND SEIZURE POLICY

The principal and his/her designee have access to any lockers, handbags, electronic devices, cell phones, book bags, desks, cars, or any other object that is brought onto the campus of the school or any school sponsored event, and may remove or confiscate any object which is illegal or contrary to school policy.

X. USE OF CELL PHONES OR ELECTRONIC DEVICES

Students will bring to school **only** the materials necessary for class. No electronic equipment will be allowed in school. (Ex: earphones, boom boxes, radios, cellular phones, CDs, IPODs, MP3s, etc.) If brought to school, these articles may be confiscated by teachers, Principal, or Assistant Principal until the end of the school year. (NO EXCEPTIONS WILL BE MADE) It does NOT MATTER if they are turned off in the school bag.

If a student brings a cell phone to school, it must be turned off upon entering school grounds. The phone must be given to the homeroom teacher for safekeeping as soon as they arrive to the classroom. The teacher will return the phones at the end of the school day. Anyone who fails to do so, will receive a warning and may lose this privilege for the rest of the year, and may even have the phone confiscated, depending on the circumstances. NO EXCUSES ACCEPTED.

XI. SCHOOL SECURITY

The school has specific plans to be followed regarding everyone's entry into the school for overall school security. The safety of all of our students demands that ONLY authorized personnel be permitted on school property during the school day. The school does not allow parents, relatives, or friends to visit classrooms or deliver any items such as clothing, books, projects, or lunches during school hours or in the After School Program. Parents who disregard the rules of security will be asked not to be in school grounds for the remainder of the school year.

XII. MEDICATIONS

Except as authorized by the school, students are not permitted to carry or distribute any prescription or non-prescription drugs or treatments, including aspirin, on the school grounds or at any school function. The administering of medicine to a student outside the doctor's office or a health institution is a parental responsibility and should only be delegated to school personnel when necessary and authorized by the school. Parents should ask their physicians if it is possible to prescribe medication so it can be administered at home. Only when necessary will the school allow the administration of medication on campus, and only under the following guidelines:

1. An authorization form must be completed and submitted by a parent or legal guardian of the student. The name of the medication and dosage should be indicated on the form.
2. Medications to be dispensed at school should be labeled with the child's name and the exact dosage. The name and telephone number of the physician should also be on the label.
3. While the school may monitor a student taking the medication, the school will not remind students to come and take their medication.

Exceptions to this policy may be made for the use, supply, and administration of an epinephrine auto-injection (Epipen), or as otherwise authorized in writing by the school. In particular circumstances, the school may agree to administer medication or otherwise provide health care interventions that go beyond a minor adjustment for a particular student. In those cases , Parents hereby release the school, the Diocese, and their corporate members, officers, employees, affiliates, and agents from any claims or liabilities that allegedly arise from or are related to the provision of those health care interventions that are beyond minor adjustments.

XIII. PARENTAL COOPERATION

The school views the education of a student as a partnership between the parents and the school. Parents and students are expected to comply with the school rules and policies, and to accept and support the authority of school officials, whether it is at school events, on or off school campus, or on social media or other public forums. Just as a parent can withdraw a child from the school if desired, the school has the right to disenroll a student if it determines at its discretion that the parent or student partnership with the school is irretrievably broken.

XIV. MID-TERM AND FINAL EXAMS

If a student is absent any day during the Mid-Term or Final Exams, a doctor's note is required in order to take the missing test.

B. RULES OF CONDUCT

I. GUIDELINES FOR STUDENT APPEARANCE

The community of teachers, parents, and students along with the program of SMACCS reflect our relationship with God and our understanding of the Gospel of Jesus Christ. These differences define our existence.

Our appearance demonstrates our understanding of that relationship. Our expectation is that the appearance of each student reflects respect toward the Church, respect for each other, and respect for self. The primary responsibility for the appearance of the student lies with the home family. However, the school sets guidelines to ensure that:

- **Appearance does not promote values inconsistent with the beliefs of the SMACCS community.**
- **Appearance does not cause undue attention to a single student among the desired cohesive community.**
- **Appearance is not disruptive to the educational process.**

The determination of what is acceptable or not with regards to dress or hairstyles belongs to the Principal and the Administration of SMACCS whose decision is final.

II. HAIR

Extreme hair styles are not allowed for either boys or girls.

Boys must have a conventional hair cut (Ex: no spikes, no designs or fades, no long hair). Mushrooms will be permitted up to 3rd grade only. Boys may be sent home and a warning will be given.

Parents will be called to pick up the student immediately, and the student may not return to school until the issue has been resolved.

XI. HARASSMENT AND DISCRIMINATION POLICY

SMACCS is committed to providing an environment that is free of discrimination and harassment. In keeping with this commitment, the school will not tolerate harassment or discrimination on the basis of a person's protected status, such as gender, color, race, ancestry, national origin, age, physical disability, mental condition, marital status, veteran status, citizenship status. All employees, faculty members and students are protected under this policy. In addition, this policy applies to all conduct occurring on school grounds, at assignments outside the school, or at school-sponsored events. All students/parents are responsible for helping to assure that any harassment or discrimination is reported. If a student witnesses or learns of any conduct that violates this policy, the student and/or parent must immediately report the incident to his/her principal. If, however, the principal is the individual who is believed to have engaged in the inappropriate conduct, the student/parent should notify the Pastor (for elementary schools) and the Superintendent of Schools of the Archdiocese of Miami (all schools) If an investigation reveals that inappropriate conduct has occurred, the school will take corrective action based on the circumstances.

XII. DRUG AND ALCOHOL POLICY

The use or possession of illegal drugs or illegal mood altering substances, alcoholic beverages, drug-related paraphernalia, or the abuse of prescription or over the counter drugs by any student on school property or while attending or participating in any school sponsored activity or at anytime the student is wearing a school uniform is forbidden. Transgression of this rule will result in disciplinary action, which may include expulsion from the school, even for a first offense.

Any student selling drugs on school property or at school functions may be immediately expelled.

The school is committed to a drug-free environment. This commitment may, under some circumstances, prompt a need for testing of students for evidence of substance abuse. It may also involve the use of drug dogs and other methods in the discretion of the school administration which seek to deter the use and/or distribution of illegal drugs or alcohol.

If a student exhibits the symptoms, or is suspected of substance abuse, the school may require that the student undergo substance abuse testing at the parents' expense. If the results of the test suggest abuse (and the substance was not used on or brought to campus or at school related activity), the school will normally use this information to help the student seek assistance. Refusal to participate in such a test may result in expulsion from school.

At times, the school may choose to conduct random drug testing of the student body at the parents' expense.

A school may conduct random searches as set forth in this handbook.

XIII. ANTI-BULLYING POLICY

SMACCS is committed to promoting a safe, healthy, caring, and respectful learning environment for all its students. As such, bullying is strictly prohibited and will not be tolerated. Therefore, this policy prohibits any unwelcome verbal or written conduct or gestures directed at a student by another student that has the effect of:

1. Physically, emotionally, or mentally harming a student;
2. Damaging, extorting or taking a student's personal property;
3. Placing a student in reasonable fear of emotional or mental harm;
4. Placing a student in reasonable fear of damage to or loss of personal property; or
5. Creating an intimidating or hostile environment that substantially interferes with a student's educational opportunities or the Catholic mission of SMACCS.

I. Definition

a. Bullying is willful and repeated harm inflicted upon another individual which may involve but is not limited to: teasing, name-calling, slurs, rumors, jokes, false accusations, intimidation, stalking, innuendos, demeaning comments, pranks, social isolation, gestures, cyber-bullying or other verbal or written conduct. Cyber-bullying includes the following misuses of digital technology: teasing, intimidating, or making false accusations about another student by way of any technological tool, such as sending or posting inappropriate email messages, instant messages, text messages, digital images or website postings (including blogs and social network sites). Bullying reflects a pattern of behavior, not a single isolated incident.

b. This definition includes students who either directly engage in an act of bullying or who, by their behavior, support another student's act of bullying.

II. Scope

- a. This policy prohibits bullying that occurs either:
- i. On school premises before, during, or after school hours;
 - ii. On any bus or vehicle as part of any school activity; or
 - iii. During any school function, extracurricular activity, or other school sponsored event or activity.

III. Reporting Complaints

a. Each student and parent has a duty to report any bullying to the school immediately. If a student experiences (or a parent witnesses or learns of) any incident of bullying, the incident must be promptly reported to the school principal. The principal will provide the student/parent with the Bullying Complaint Report Form which must be completed, dated, and signed by the complaining party so that the school may initiate further inquiry, when appropriate.

IV. Disciplinary Action

a. Any student found to have violated this policy may be subject to appropriate disciplinary action which may include: temporary removal from the classroom, loss of privileges, detention, counseling, parent conference, suspension, expulsion, and/or notification to the appropriate authorities. The disciplinary action may be unique to the individual incident and may vary in method and severity based on the principal's discretion.

False reports or accusations of bullying also constitute a violation of this policy and may subject the offending party to appropriate remedial action which may include, but is not limited to, the assessment of costs incurred by the School in its investigation and review of any reports deemed to have been made in bad faith.

XIV. BULLYING / HARRASSMENT INVESTIGATION DISCLOSURES

While the school generally prohibits the nonconsensual disclosure of information contained in educational records, limited exceptions apply including for the disclosure to victims of bullying or harassment when disciplinary sanctions or other measures relate directly to the victim. Parents hereby consent and acknowledge that the School may, pursuant to this exception, disclose to the victims of harassment or bullying, and to their parents, any information related to disciplinary sanctions and/or other measures that relate to the harassment and/or bullying issue regardless of whether the matters disclosed are part of an educational record.

XV. WEAPONS POLICY

Weapons are not permitted anywhere on school grounds or at any school activity. Any student who brings a weapon to any school activity, who is in possession of a weapon, or who threatens others with a weapon may be expelled from the school. Any item used to threaten or cause bodily harm may be considered a weapon.

XVI. THREATS OF VIOLENCE POLICY

Students are prohibited from making threats of violence. Students whose verbal or written comments, including electronic messages, pictures or posts on social media, that threaten serious bodily harm to another student, him/herself, a member of the faculty or staff or the destruction of property or whose behavior otherwise demonstrates they may pose a threat to the safety of the school, may be subject to disciplinary action including but not limited to:

1. Immediate suspension or expulsion from the school, at the school's discretion;
2. Treatment or consultation by a psychologist or psychiatrist at the parents' expense and/or by the school counselor, both of whom may be asked to submit a written evaluation; and/or
3. If allowed to return to school, the child may be placed on probation with an indication that, should a similar threat occur, the child will be expelled from school.

This policy applies whether such threats or misconduct were intentionally, unintentionally, or with or without ill will. Such misconduct may also violate Florida law and may subject the student to criminal proceedings. At all times, the school will cooperate with law enforcement investigations and maintains the discretion to contact law enforcement at any time.

Students and parents should immediately report any threats of violence or other concerning behavior that may suggest an individual intends to commit an act of violence.

XVII. PUBLIC DISPLAY OF AFFECTION

The Catholic school promotes friendship, charity, kindness, love, and respect for self and others. However, inappropriate displays of affection, such as kissing or embracing which connote more than simple friendship, are not permitted in school, at school dances, or at any school event. Those who violate these rules may be subject to disciplinary measures, including detention, suspension, or expulsion. The administration reserves the right to determine what is, or is not, appropriate behavior in a Catholic school.

C. DISCIPLINARY PROCEDURES

I. CONDUCT

Students and parents are expected to behave consistent with the mission, philosophy, and spirit of the school and the moral teachings of the Catholic faith as determined by the Archbishop of the Archdiocese of Miami. Because the school cannot anticipate all conduct that violates this policy, it reserves the right to take any form of (1) student disciplinary action, including expulsion, and/or (2) restrictions against any behavior that violates this policy, even if not specifically stated in this handbook.

II. DISCIPLINARY POLICIES AS GUIDELINES

The disciplinary policies and procedures set forth in this handbook provide guidelines that the school may, in its discretion, employ in regulating student conduct. The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.
Parents or eligible students who wish to ask the school to amend a record should write the School principal [or appropriate school official], clearly identify the part of the record they want changed, and specify why it should be changed. If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.
One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person or company with whom the school has contracted as its agent to provide a service instead of using its own employees or officials (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.
A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

B. FINANCIAL POLICIES

I. FINANCIAL OBLIGATIONS

The satisfaction of all financial obligations to the school, including tuition and fees, constitutes a material condition for continued enrollment in the school. The school may disallow students from taking quarterly, semester, or final examinations if the parents or legal guardians fail to meet any financial obligation to the school. In addition, the school may withhold the issuance of transcripts or any other student records and/or disallow participation in or access to school activities, and/or disenroll the student if any financial obligations are not met.

II. REGISTRATION AND FEES

Registration forms and information are sent home with every eligible student in February. It is necessary that parents complete and return all the forms before the given deadline. The registration fee is to be paid at the time of registration and must accompany the registration documents. If a child is not returning to SMACCS, you must fill out a withdrawal form. The registration fee is nonrefundable.

NOTE: School officials reserve the right to deny registration for lack of parental cooperation and/or support of regulations.

III. TUITION AND FEES

All families need to have an account registered with FACTS. Tuition payments are to be paid monthly on a ten-month basis or according to your payment plan option. TUITION IS DUE ON THE FIRST OF THE MONTH OR BASED ON YOUR PAYMENT PLAN. A \$10.00 late fee will be charged if tuition is not received by the due date. We will charge a NSF Fee of \$25.00 for any returned check. FACTS charges a fee of \$30 for each returned payment. Families who present two (2) returned checks will have to pay with money order or cashier's check for the remainder of the school year. At the end of each quarter, parents with past due tuition/fees balance will be notified by the school finance office of the past due amount and the minimum payment required. If all financial obligations are not current, the school will:

* Not allow the student to take mid-term/final exams, block the online grade view for both the student and parent, not issue report cards, diplomas and/or transcripts, dis-enroll the student from the school..

Families wishing to withdraw its child from the school in the middle of a quarter are required to pay tuition and fees through the end of the quarter. Grades will not be released until the tuition and fees have been paid in full.

Any school family that has two (2) consecutive past due payments, must make the account current in cashier's check or money order. Students will not be allowed to take tests, and this will result in an "Incomplete" in his/her Report Card. Students whose tuition payment is one month behind may not attend class and/or take any tests until the account is current. If the student misses more than ten (10) days of class due to this situation he/she will be removed from the class roster. It will also result in the child not earning a diploma, not completing the grade, and not receiving a transfer, if the situation is not remedied. At the end of the school year if an account has been delinquent on more than three (3) occasions, the subsequent yearly tuition payment must be discussed with the Principal for lump sum payment.

The new tuition rate will be sent home at the time of re-registration.

The registration fee is to be paid at the time of registration. All school financial obligations must be current in order to have access to our grading system, receive report cards, and re-register for the following school year.

IV. WITHDRAWAL

IF A PARENT WISHES TO TRANSFER HIS/HER CHILD, THE PARENT MUST CONTACT THE PRINCIPAL, STATE THE REASON FOR THE TRANSFER, GIVE THE NAME AND ADDRESS OF THE NEW SCHOOL, AND THE DATE THE CHILD WILL BE WITHDRAWING. If all financial obligations have been met, the student's report card will be issued. Cumulative records are sent upon request to the school to which the child is transferring. A withdrawal form must be filled out. Families wishing to withdraw its child from the school in the middle of a quarter are required to pay tuition and fees through the end of the quarter. Grades will not be released until the tuition and fees have been paid in full.

NOTE: A child will not be accepted in an Archdiocesan school who has an outstanding debt in the last school attended.

V. RECORDS

For all new students, an up-dated immunization record, copy of original health form, a copy of his/her baptismal certificate and birth certificate are due in the office at the time the student is registered.

C. CHILD PROTECTIVE INVESTIGATIONS

Florida law provides that any person who knows or has reasonable cause to suspect that a child is abused by a parent, legal custodian, caregiver or other person responsible for the child's welfare must report such knowledge to the Department of Children and Families. The school will cooperate with all child protective investigations by DCF or the local law enforcement agency. Reports should be made to Florida's Department of Children and Families by calling the Abuse Hotline at: 1-800-96-ABUSE (1-800-962-2873).

Child protective investigations by DCF or local law enforcement agencies sometimes include interviews of students at school and may occur without advanced notice. When it is reasonably possible, the school will seek to notify the parents that their child has been asked to participate in a child protective investigation. The school may also request the presence of a school

staff member during investigative interviews on school property. However, please note that, under Florida law, DCF and local law enforcement have the discretion to conduct unannounced interviews and to disallow school staff member's presence during these interviews.

D. REPORTING PHYSICAL / SEXUAL ABUSE

Parents and guardians should understand that State Law requires a teacher or administrator who has reasonable suspicion that abuse has occurred, to report this to the Division of Children and Family Services. The teacher or administrator who fails to fulfill this responsibility can be charged with negligence, because the silence contributes to the crime.

E. TESTIFYING IN DIVORCE OR CUSTODY PROCEEDINGS

The Catholic Church recognizes marriage as a Sacrament. In the Union of Christian spouses, the sacrament of Matrimony celebrates the relationship of Christ to the Church. Therefore, the school strongly supports the sacrament of matrimony as the foundation of family life and of the domestic Church. In recognition of the importance of the matrimonial sacrament to the Catholic faith, parents agree not to compel the attendance, testimony, or deposition of any school or church employee in any divorce, custody, or other legal proceedings which may in any way involve the dissolution of marriage or the determination of parental/custody rights.

In the event that a parent or legal guardian breaches this policy, any school or church personnel who are required to attend legal proceedings may be represented by an attorney. In addition, any and all legal fees and costs incurred by the school will be charged and become the responsibility of the parent or legal guardian.

F. CUSTODIAL RIGHTS

SMACCS, in accordance with Florida Statute 61.13 (3) will make school records and in-person conferences available to both parents, unless a court order specifically revokes this right, in which case it is the responsibility of the custodial parent to provide a copy of the Court Order for the school records.

G. USE OF PHOTOS

The school reserves the right to use student or parent photos in any school or Archdiocesan publication including but not limited to print publications, videos, or websites including Facebook, Twitter and other social media websites. Any parent who does not want his or her child's picture or video to be used accordingly must notify the school's principal in writing prior to the beginning of the school year. **By executing this acknowledgement of receipt of this Handbook, Parents HEREBY CONSENT, authorize and grant permission to the school, the Archdiocese of Miami, and their agents, employees or duly authorized representatives to photograph or videotape students and parents and CONSENT to their publication for any purpose deemed proper by the school, including but not limited to, use on the internet.**

Additionally, Parents, by executing this acknowledgement of receipt of this Handbook, HEREBY RELEASE the school, the Archdiocese of Miami, and their corporate members, officers, employees, and agents, from any claims or liabilities that allegedly arise from or are related to the use of student or parent photos.

H. ELECTRONIC ACKNOWLEDGEMENTS

Periodically, the school may require that parents or guardians make electronic acknowledgments confirming the receipt and/or acceptance of various policies, procedures, notices, releases or updates. Any time a parent/guardian makes an electronic acknowledgment by clicking "submit" or "accept" on an electronic document, that individual is agreeing that he/she has read, understood, and agrees to be bound by the contents of the electronic document. Electronic acknowledgments and signatures are valid and binding and may serve as consent to the contents of any electronic communication. Parents and guardians are responsible for reviewing the contents of any electronic document prior to making any electronic acknowledgments. In addition, **Parents/Guardians, by executing the acknowledgement of receipt of this Handbook, HEREBY AGREE** to receive and be bound by electronic acknowledgments.

Teachers are responsible for the supervision of their students in the mornings, while in class or during yard duty, and they cannot give their attention to parents at the same time. This rule also applies to dismissal time while the teachers are on dismissal duties.

E. DEADLINES

In the interest of fairness to all students and parents, deadlines in all areas must be respected and met. If a deadline has passed, a student or parent is in an indefensible position. Students and parents have a right to be informed of deadline dates; the responsibility of meeting those deadlines rests with the student or parent.

O. RIGHTS AND RESPONSIBILITIES OF PARENTS AND GUARDIANS OF STUDENTS IN PARISH FAITH FORMATION PROGRAMS

This policy is to be provided to separated or divorced parents of all children enrolled in parish faith formation programs, and the legal guardians of the children if guardians have been appointed. For children not yet baptized as Catholic, both parents and/or legal guardians must provide written consent on the attached form.

NOTICE AND ACKNOWLEDGEMENT OF RIGHTS AND RESPONSIBILITIES OF DIVORCED/SEPARATED PARENTS OR LEGAL GUARDIANS WHEN ENROLLING A STUDENT AND CONSENT TO ENROLLMENT

This notice applies for divorced/separated parents, or legal guardians of children whose parents are divorced/separated, when enrolling a student in a faith formation program at any of the parishes or schools of the Archdiocese of Miami.

It is the obligation and the right of the Catholic Church to provide for and support the faith formation of its baptized members. For children, this includes preparation for reception of the Sacraments, religious education classes, Rite of Christian Initiation of Adults adapted for children, youth ministry activities and Catholic elementary and secondary schools (“faith formation program”), in concert with the parent(s) or legal guardian having custody of the child and capacity to consent to participate on the child’s behalf.

In the case of a baptized Catholic child, either parent or a legal guardian may enroll their child as a faith formation student at a parish or religious education program of the Archdiocese of Miami (hereinafter referred to as “the Parish”).

In the case of a child who is not baptized as a Catholic, the person who enrolls the child as a faith formation student at the Parish must provide either (1) written consent of the other, non-enrolling parent or legal guardian on the attached form, or (2) appropriate legal documentation at the time of enrollment of his/her sole authority to enroll the child, such as a court order.

Documentation of consent of all persons who have custody rights for the child is required for religious education classes, Rite of Christian Initiation adapted for children, sacramental preparation classes, Catholic school enrollment and youth ministry activities, if the child is not baptized as a Catholic.

Unless the Parish is provided with a court order to the contrary, the person who enrolls the child at the Parish will be deemed to be the primary contact person for all faith formation program related issues involving the student. However, either parent or a legal guardian may be entitled, upon reasonable request and consistent with any specific limitations in the court order, to have equal access to documents and other information concerning the child’s instruction.

In the case of conflicting instructions regarding the faith formation of a baptized Catholic, proper objections of a parent or legal guardian with rights for the child, or requests that the faith formation program is not clearly authorized to honor, the Parish may request both parents or guardian to seek appropriate court instructions for the Parish. The faith formation program will respect and comply with lawful court orders.

Parents that need to sign this acknowledgement form, must come to the school office and ask for a copy.

The internal hearing and review will seek the prompt and equitable resolution of disability discrimination complaints.

Q. TEXT MESSAGING / TELEPHONE CALLS

The school may use text messages and automated telephone calls to alert parents/guardians of important information related to the school's mission, operations, and activities. Parents/guardians acknowledge and consent to the receipt of these messages when providing their telephone numbers.

R. VPK ATTENDANCE POLICY

SMACCS will be operating a Voluntary Pre-Kindergarten (VPK) Program for 3 hours a day, 5 days a week for 180 days. All enrolled families will receive a calendar showing the scheduled days off during the school year of August 19, 2019 through June 3, 2020. Attendance during the scheduled instructional days is of utmost importance in order to remain in the VPK Program. Not only is St. Michael's funding dependent on attendance, but also the child's success upon entrance into Kindergarten. You will be required to sign and comply with the following policy on Attendance and Tardiness to participate in the VPK program.

Tardiness: Arrival is between 7:45 and 8:00 a.m. VPK arrivals should be signed in at the Pre-K 4 classroom in Portable 2. The instructional day starts at 8:00 a.m. and all children are expected to be in the classroom and ready to start the day. Arrivals after 8:00 a.m. are disruptive and difficult for the arriving child as well. We understand that it is occasionally unavoidable to be "running late", but limit the tardiness to no more than 4 times a month.

Late Pick Up: The VPK program ends at 11:00am daily. A late fee of \$10.00 will be assessed if your child is not picked up by 11:10 am. An additional fee of \$15.00 will be assessed for every additional 15 minutes the child is not picked up.

Absences: Daily attendance in the VPK program is necessary for optimal learning. The following absences require proper documentation to be excused.

- Illness or injury of the child which requires hospitalization or bed rest; please provide doctor's note or hospital documentation.
- Physician or dentist appointment; please provide doctor's note.
- Infectious disease or parasitic infestation;
- Funeral service, memorial service, or bereavement upon the death of the child's family member;
- Compliance with a court order (e.g. visitation, subpoena);

Please note: A student with more than 10 unexcused absences will be at risk of being withdrawn from the VPK Program at SMACCS. SMACCS will allow one documented 5-day absence during the 180 day school year. Documentation must be submitted in advance, explain the reason for the 5-day absence, and be dated and signed by the child's legal custodial adult.

Verifying your child's attendance and absences: Children must be signed in and out of the VPK Program daily; this is mandatory. Signatures must be complete, initials are not allowed. The daily sign-in/out book is in the VPK Classroom. The VPK teacher will ask you to stop by the end of each month to review and confirm your child's recorded attendance for the month. Your signature on this form will verify the attendance for the month.

To participate in the VPK Program at SMACCS, I agree to comply with the terms of the Absence and Tardiness Policy, along with the Student/Parent Handbook.

S. PEANUT ALLERGY POLICY

In order to ensure the safety of students with peanut allergies, please notify the homeroom teacher 72 hours in advance when cupcakes, donuts, or cookies to celebrate your child's birthday will be brought to school. This will give the teacher sufficient time to notify parents of students with a peanut allergy or any other allergy to provide a snack for their child on that day. Under no circumstance can parents nor teachers distribute party bags and/or candy. All allergies must be listed in Emergency Cards that are part of the registration forms. If an EpiPen is necessary, it must be provided to the School Office. A meeting with all teachers that have students with allergies will be conducted at the beginning of the school year.

T. UNDOCUMENTED STUDENTS

A student's enrollment and/or graduation from school does not confer a legal status nor does it serve to regularize an undocumented student. Although the Archdiocese of Miami may assist with the completion of an I-20 form, the school does not guarantee or confer any privileges or rights available to documented legal residents. Parents should consult with immigration legal counsel if they have any questions as to immigration status.

U. PRIVATE TUTORING, COACHING OR LESSON

Except as specifically noted in this Handbook, the school does not sponsor, oversee, or otherwise provide private tutoring, coaching, therapy, or other similar private lessons or services. Parents who engage school staff members for the provision of tutoring services do so at their own risk and expense and are hereby advised that such services are outside the scope of the staff member's employment with the school. **Parents, by executing the acknowledgment of receipt of this Handbook HEREBY RELEASE the school, the Archdiocese, and their corporate members, officers, employees, and agents from any claims or liabilities that allegedly arise from or are related to the provision of private tutoring, coaching, therapy or other similar private lessons or services, regardless of where they may occur.**

V. SMOKING / VAPING

It is a violation of Florida law for any minor to knowingly possess any tobacco product, nicotine product, or nicotine dispensing device. In addition, the use of tobacco products, electronic cigarettes, and vaping carry known health risks that can be very serious. The use of any tobacco products, electronic cigarettes, and/or vaping in any form is prohibited on school property and at any school events. Violation of this policy will result in disciplinary consequences which may include expulsion from school.

W. TRANSPORTATION ARRANGEMENTS

Parents hereby acknowledge and agree that the school does not provide or arrange for student transportation to or from school, except as specifically set forth in writing by the school. Student transportation to and from school each day is a parental responsibility. The school does not authorize or endorse any private transportation arrangements. In limited and documented circumstances, a parent may engage a commercial transportation company to transport a student from school; however, any such engagement requires the written authorization of the school and the execution of school documents allowing for such an arrangement.

X. TRADUCCION DEL MANUAL DE PADRES Y ESTUDIANTES AL IDIOMA ESPAÑOL

Si cualquier persona necesita ayuda a entender éste manual de padres y estudiantes, por favor pasar a la oficina principal de la escuela y cualquiera de nuestras secretarias con gusto les ayudarán.

St. Michael the Archangel Catholic School
Parent-Student Handbook Acknowledgement Form

I, as Parent or Legal Guardian, acknowledge that I have read the entire contents of the Parent-Student Handbook and understand the consequences of any violations of the rules and policies of the school.

I agree to cooperate with the school in the interpretation and enforcement of the policies outlined in the Parent-Student Handbook. I also understand that the school has the ultimate authority over the administration of the school and the interpretation of the school's rules and policies. Moreover, I further understand that all of the school's policies whether written or verbal are only guidelines and are subject to change at the sole discretion of the school with or without notice.

I also hereby acknowledge that I have read and agree to the terms of the releases outlined in the School-Sponsored Events Policy, the Participation in School Athletics or Organizations Policy, and the Use of Photos Policy.

Attendance at school and participation in school activities pose some risks including the transmission of COVID-19. Although the school has taken various measures to reduce the risks of transmission, the possibility of infection from COVID-19 or other communicable diseases is nonetheless present. Parents expressly assume such risks by allowing their children to attend school and to participate in school activities and/or by coming onto the school campus and attending school activities themselves.

In the event of a natural disaster, disease outbreak, or any other circumstances which in the judgment of the school administration make it unfeasible, unsafe, or otherwise imprudent to continue campus-based education, school educational programs shall resume as soon as practical by way of distance learning and/or other methods adopted by the school administration and faculty. Due to the school's continuing financial obligations related to its operations, there will be no suspension, reduction, or refund of tuition in these circumstances.
