

Dear Students and Families,

I'm excited to continue the summer reading program for the 2025–2026 school year. Each incoming 4th-grade student is required to read one assigned book over the summer break. This year, students will be reading *Frindle* by Andrew Clements.

In addition to reading the book, students must complete the attached novel study packet. The completed packet is due on the first Friday after we return to school and will count as a graded assignment. All work should be neatly handwritten and legible.

Frindle is available online, including on Amazon, where the paperback edition is currently listed for \$4.79.

I look forward to another successful year at St. Michael the Archangel and wish you and your family a safe and blessed summer.

God bless you,
Your 4th Grade Teacher
